The Hawaii Macintosh & Apple Users' Society, Inc. (HMAUS) has served the technology community of Hawaii since 1979. HMAUS services have included promoting and supporting technology education to help and improve people's lives. Events include workshops, presentations, technology fairs, help clinics, swap meets, Community involvement programs include outreach technology assistance to local public schools, people with disabilities where assistive technology plays an important role, donations to schools and other groups needing affordable (or free) technology tools. Hawaii Geek Week will include many technology events to serve its mission: Mactoberfest 2008 at UH Manoa (October 18), Windward Community College Tech Fair (October 24), PodCamp Hawaii at Hawaii Convention Center (October 24-25).

**E-mail your completed form to [gov.information@hawaii.gov](mailto:gov.information@hawaii.gov)**

Due to the high volume of requests received daily, any request submitted less than four weeks prior to your due date may be delayed. All requests are subject to approval by the Office of Constituent Services.
