Meetings & Workshops

Mactoberfest: Held each October. This all day event includes vendor presentations, workshops, help clinics, door prizes and more.

Mac SpringFest: Held each March or April. This all day event includes vendor presentations, workshops, help clinics, door prizes and more.

HI Touch Learning Clinic: Held on the second Saturday each month, the program includes HI Touch Chat and HI Touch Tech. HT Chat hosts Terrence Young and Eugene Villaluz invite notable people for engaging conversations about technology and modern society. The day's topics explore and share ideas, concepts and observations from the guests' perspective. The HT Tech, a support and learning feature, is interspersed throughout the program. Hosts, guests and audience are encouraged to participate in the conversation with questions, observations and ideas.

MacLearn: This lecture style meeting introduces and demonstrates new software, hardware and resources.

*Dates and venues for all events are subject to change.
